THE FLASHARRAY ASP
FOUNDATIONS ASSESSMENT

The FlashArray Authorized Support Partner (ASP) Foundations course teaches Pure Storage partners to install, configure, optimize, troubleshoot issues, and support Pure Storage FlashArray products. Partners will learn how to shorten their time to resolution, when to escalate issues to Pure Technical Services, and increase customer satisfaction as they handle FlashArray support for their customers' data centers.

## COURSE BENEFITS

Gain practical knowledge through hands-on learning and instruction with in-depth explanations that go beyond the basics. This course is delivered virtually (vILT), or in person (ILT) and the duration can be modified to suit your learning needs.
